ALI NASSER IN TAIZ - Cont'd.

In a statement made following his arrival at Taiz today, Brother Ali Nasser said: today our meeting is renewed in Taiz with Brother Ali Abdullah Saleh, within the framework of the meetings and joint contacts between the two leaderships of both parts. It is also an extension for the previous meetings which took place between me and Brother President Ali Abdullah Saleh in Taiz, Aden, Sanaa and other meetings which were dedicated to realising the great objective of our Yemeni people resembled in the Yemeni re-unity on peace and democratic bases."

He added that all our unity endeavours made during the past period emanated from the supreme needs and nationalinterests of the Yemeni people in a way ensuring defence of the objectives and principles of the glorious revolutionsof 26th September and 14th October. We are confident that all unity steps and agreements so far reached by the two leaderships of both parts won the support of the masses of our Yemeni people which look to placing these agreements for practical implementation. On these bases this meeting of ours is beingheld in the town of Taiz which will remain immortal in the memory of all Yemeni militants who were embraced by the sons of this brave town in different stages of the national struggle of our people.

He said that when I visit Taiz I remember those men who observed steadfastness, the steadfastness of heroes, for defending the republican regime in the northern part and who introduced bread, funds and arms and all types of backing and other support to the revolution of 14th October in the South.

I am confident that this meeting of ours in Taiz will enable us to exchange views with a national spirit taking intoconsideration the importance of eagerness for the national interests of the Yemeni people and protection of the accomplishments of the Yemeni revolution. Cont'd on p.6.....

COUNCIL OF MINISTERS RESOLUTION ON REGULATIONS ORGANISING CENTRAL MACHINERY FOR PRICES

ADEN, May 5 -- ANA - Comrade Ali Nasser Mohammad, CC Secretary General and Chair man of the Presidium of the Supreme People's Council and Premier, issued the resolution of the Council of Ministers in connection with the regulations organising the Central Machinery for Prices. The second chapter provided that these regulations are to organise the machinery on the

.....4/.....

RESOLUTION -- Cont'd.

on the consideration that it is one of the machineries of the Council of Ministers and follows the Prime Minister directly and is the source that helps the Council of Ministers adopt the suitable pricing decisions and policies.

The seventh clause of this chapter defined the objectives of the machinery which will work on the following:-

1) to propose the princing policies and rules and submit them to the Council of Ministers in a way conforming with the economic and social policies of the Party andState and improving the living standand of the citizens.
2) to propose and define prices to the Council of Ministers in accordance with the scientific bases and scales
3) to work to the effect that the prices perform their role in promoting the effectiveness of the economic activity and realisation of stability in provisions
4) to analyse the economic and social effects of prices and submit the outcome of the analysis to the Coucil of Ministers.

The machinery is to perform its tasks in the field of pricing on the basis of the programme of the Yemeni Socialist Party, constitution, laws and resolutions of the Supreme People's Council, decrees and resolutions of the Presidium and instructions of the Council of Ministers

Chapters 3,4, and 5 defined the tasks and jurisdictions of the machinery, its formation, administration and relation with the ot her machineries and corporations.

The sixth chapter authorised the chairmanof the machinery to issue the necessary internal regulations for implementing the rules of this resolution and to propose any modifications he sees essential and raise them to the Council of Ministers for approval.

The remaining clauses provided that these regulations are to be effective from date of issue and abolitionof any other text contravening with them and that they are to be published in the Official Gazette.

ALI NASSER IN TAIZ - Cont'd.

However, the Supreme Yemeni Council for Coordination held this afternoon a meeting under the chairmanship of Brother Ali Nasser Mohammad, CC Sderetary General andChairman of the Presidium of the Supreme People's Council and Premier and ColonelAli Abdullah Saleh, President of the Republic andC-in-C of the Armed forces in the northern part of the homeland and in t he presence of the members of the delegations accompanying them to the council meetings.

During the meeting they reviewed the outcome of the contacts and meetings which took place between the two leaderships of both parts and the machineries concerned during the past period which were dedicated to laying down the bases essential for developing the forms of cooperation and coordination bet wee the two parts of the homeland at different levels and in different fields on the road of the re-unity of the homeland and people on peaceful and democratic bases.

They also exchanged views on the difficulties and obstalces that faced implementation of the agreements between both parts. Emphasis was made on the import ance and necessity of uniting the efforts and mobilising the energies of the Yemeni people for its peaceful development and social progress and defence of its national sovereignty.

Brother Ali Abdullah Saleh held a luncheon party in honour of Brother Ali Nasser mohammad in Taiz.

However, a close-doo r meeting was held between B rothers Ali Nasser Mohammad and Brother Ali Abdullah Saleh. It is understood by the information team accompanying Brother Ali Nasser that during the meeting which was held in a brot herly and frankly atmosphere, they discussed a number of issues that concern the supreme interests of the Yemeni people. T hese include the steps needed to be taken for placing the agreements concluded between the two parts of the Yemeni homeland for practical implementation. The meeting also dealt with the obstacles and difficul,ties that collide with the efforts of both parts in the course of the activity of unit y between them. This meeting is regarded as the first meeting to be held following the Aden agreement concluded between both parts on 2nd December, last yearbetween the two Presidents which led to the establishment of the Yemeni Supreme Council for coordination which is comprised of t he two Presidents. This council also resulted in a number of ot her measures. However, Brother Ali Nasser called for the meeting of the council.
